…Are We Doing Better Than Our Parents?

Let's begin in 1978. For children born into the lowest income bracket during this year (Gen X)…

Atlanta ranked 49th out of 50…

Charlotte ranked 50th out of 50…

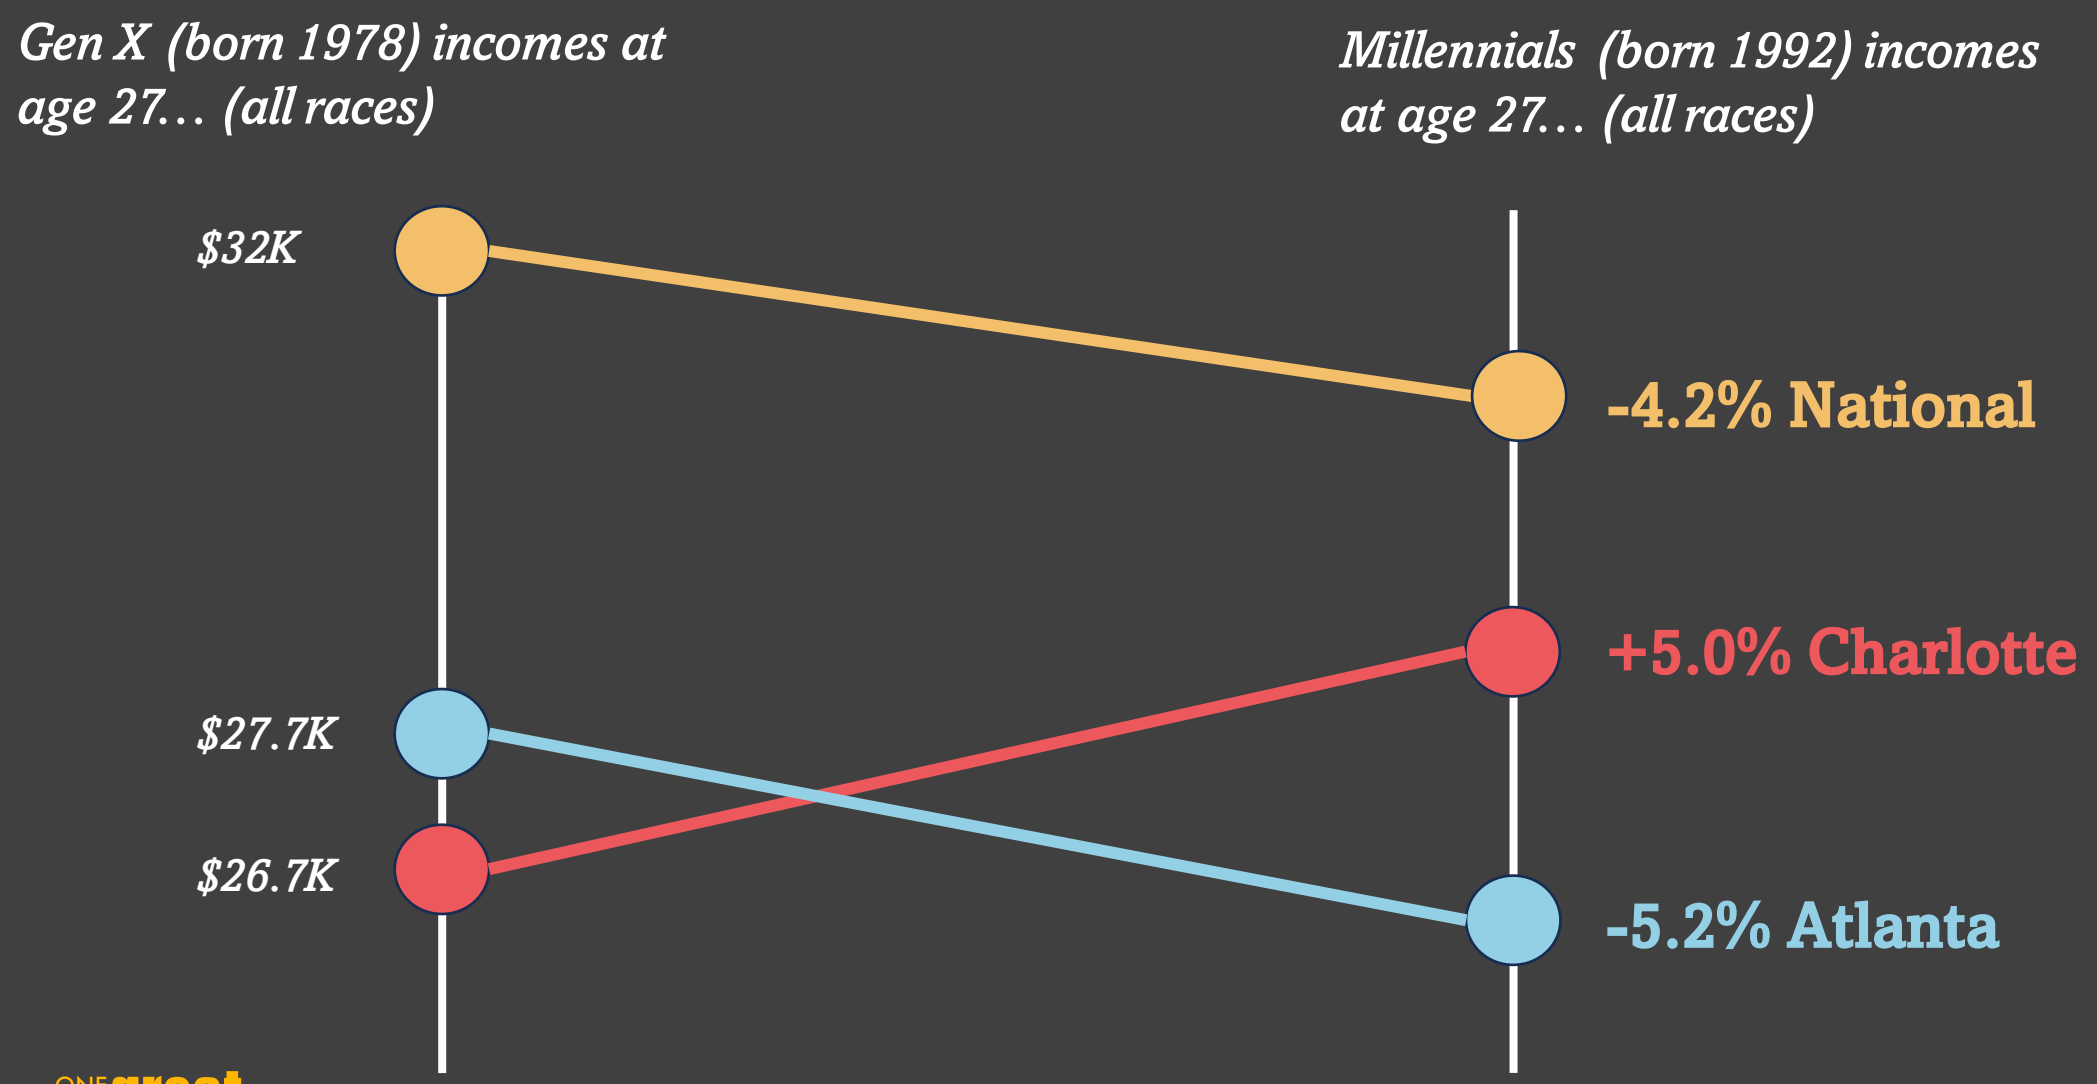
…for incomes at age 27 (~2005)

The researchers updated the study to look at the birth year of 1992 (Millennials)…

…Charlotte now ranks 38th out of 50 for incomes at age 27 (~2019), progress that should be celebrated!

Atlanta now ranks last.

Let's look at the numbers.



ONE great REGION

ARC

It has gotten worse, and at a faster rate than the national average.
