Thursday, January 11, 2018

10:30 a.m. - 12:00 p.m.

ARC Harry West Room

- 1. Welcome/Acceptance of November 9, 2017 TAQC Meeting Summary / Public Comment period¹** *Charlotte Nash, Chairman*
- 2. Convene a Public Hearing for the Purpose of Receiving Public Comment(s) on TIP Amendment #4 and ARC Project Solicitation** *Chair*
- 3. FIRST READ – Issue Summary and DRAFT Resolution for TIP Amendment #4** *Jean Hee Barrett, ARC*
This TIP Amendment will incorporate staff recommendations from the 2017 project solicitation and reflect other cost updates from the MMIP and miscellaneous other programming changes. A follow-up TIP Amendment #5 (May/June 2018) will incorporate other TIP solicitation recommendations that require conformity modeling. ARC staff will highlight major recommendations and seek feedback from policymakers.
- 4. FIRST READ – Issue Summary and DRAFT Resolution Adopting USDOT-Required Safety Targets** *David Haynes, ARC*
All states and MPOs are now required to set targets for safety, along with several other performance measures. The state of Georgia adopted safety targets in August and ARC is required to adopt MPO targets within 6 months. At prior TCC and TAQC meetings, the consensus was to pursue supporting state targets vs. ARC establishing alternative targets. This is a first read of the resolution, with TCC and TAQC scheduled to act on these targets in February.
- 5. Legislative Update** *Scott Haggard, ARC*
Highlights of proposed legislation that may impact the region will be highlighted.
- 6. Other and Committee Introduced Topics** *Group*
- 7. Announcements** *Chair*

¹ A 10-minute period for public comments is designated at the beginning of each regular TAQC meeting. Each commenter must sign up before 10:30 AM on the meeting date. Each speaker will be limited to two minutes. If the comment period expires before all citizens have an opportunity to address the Committee, citizens will be invited to provide their comments in writing.
