

# Welcome New Leaf Communities!

Kelsey Waidhas  
January 13, 2021

# The New Leaf Commitment

- Adopted resolution with goal of full Green Communities certification
  - Must be within 2 calendar years of resolution adoption
- Earn credit for a minimum of 25 points
- Have a Green Team members list and meeting schedule that is working towards full certification

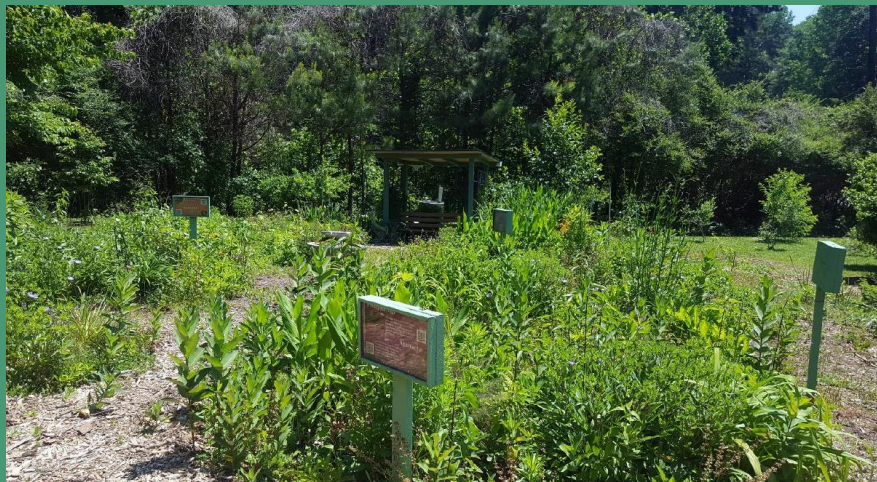

City of  
**Tucker**

**HENRY COUNTY  
GOVERNMENT**

- All Green Communities recertifications took advantage of a voluntary 1-year deferral until May 2021
- 9 of 20 certified Green Communities expected for renewal in May 2021
- 5 communities working on New Leaf initiatives

- Continuing to roll out Climate Conscious Community Modules for focused approaches to carbon emissions
- Continuing to work with communities on staff support through the Sustainable Connections Internship Program
- Reassessing timing for Green Business Partnership pilot
