- 1. Welcome: Acceptance of December 15th TDMCC Meeting Summary** **Roz Tucker**
Public Comment period¹
- 2. National Outlook in TDM** **David Straus, ACT**
Changing administrations often mean policy changes and enhancements. The Association for Commuter Transportation (ACT) plays an integral role in helping shape policies and ensuring that key transportation demand management issues stay at the forefront of national leaders. ACT has met with the Biden-Harris transition team and is working with the team at the Secretary of Transportation Pete Buttigieg's office, along with Members of Congress to raise the profile and use of TDM strategies within federal transportation policy.
- 3. Workforce Solutions – Preparing the Region for the Future** **Rob LeBeau, ARC**
Atlanta Regional Commission's Workforce Solutions Division manages WorkSource Atlanta, which provides services to businesses and individuals including training and skills development for new and existing employees, assistance with employee recruitment, and data tools that provide insight into labor market trends.
- 4. Federal Reauthorization and its Regional Impacts** **John Orr, ARC**
The FAST Act (Fixing America's Surface Transportation), currently operating under a one-year extension ending September 2021, has been in place since 2015 providing \$305 billion in funding for a wide variety of transportation activities and projects. Congress passed the one-year extension to the FAST Act last year to maintain a source of funding for transportation needs.
- 5. Regional TDM Updates** **Chair**
Telework Mindset in the Region – results from the latest survey in January and what they mean.
Return to Office Strategy – a phased approach to returning to on-site office locations.
- 6. Adjourn** **Chair**
