

2026 Unified Planning Work Program (UPWP)

Transportation Coordinating Committee

October 3, 2025

Vision

ONE **great** REGION

Mission

Foster thriving communities for all within the Atlanta region through collaborative, data-informed planning and investments.

Values

Excellence | **Integrity** | **Equity**

Goals

Healthy, safe, livable communities in the Atlanta Metro area.

Strategic investments in people, infrastructure, mobility, and preserving natural resources.

Regional services delivered with **operational excellence** and **efficiency**.

Diverse stakeholders engage and take a regional approach to solve local issues.

A competitive economy that is inclusive, innovative, and resilient.

What is the UPWP?

- One of the four core federally required planning documents for an MPO (MTP, TIP, and Participation Plan are the others)
- Developed annually in conjunction with agencywide budget and work program
- Identifies metropolitan transportation planning activities performed with federal, state and local funds in the MPO area
- Developed in cooperation with the State, local governments, and public transportation operators

2026 **UNIFIED PLANNING WORK PROGRAM**
Adopted November 2025
