

Transportation Equity Advisory Group

Meeting #1 Handout

February 28, 2017 3:00 – 4:30 PM

- ARC's **proposed objectives** for advisory group
 - *Determine project performance measures related to transportation equity in response to federal guidance in order to assist with ARC decision-making process as well as identification of regional benefits and burdens*
 - *Assist planning partners in delivering transportation projects that better address the needs identified by community organizations and residents, specifically related to equity and inclusion*
- **Parameters** of advisory group
 - Review and advise on ARC processes
 - Larger amendments
 - Specific plans
 - Committee & public comment processes
 - Advice is taken into consideration by ARC and planning partners as received
 - Consider regular updates to TCC from this group
