

PROPOSED AGENDA

Transportation & Air Quality Committee
Charlotte Nash, Chairman

Thursday, October 11, 2018 –10:30 AM
ARC Offices, Harry West Conference Room

- 1. Welcome; Acceptance of Sept. 13, 2018 TAQC Meeting Summary** *Charlotte Nash
Chairman*
- Public Comment period¹**

- 2. FIRST READ - Issue Summary and DRAFT Resolution for the
FY 2018-2023 TIP Amendment #6** *Jean Hee Barrett*

ARC staff will highlight the major items to be included in the upcoming financial TIP amendment, including programming updates and financial details for the Major Mobility Investment Program (MMIP) and other projects. Final action on the draft resolution is expected in November.

- 3. FIRST READ – Issue Summary and DRAFT Resolution for
ARC Concurrence with State Performance Targets** *David Haynes*

ARC staff presented in August on the state process to develop targets for pavement condition, bridge condition, reliability, congestion and air quality. ARC staff recommends concurrence with the state-level targets. Highlights of the targets and next steps will be discussed. Final action on the draft resolution is expected in November.

- 4. FIRST READ - Issue Summary and DRAFT Resolution for the
2019 Unified Planning Work Program (UPWP)** *John Orr*

ARC staff has developed draft recommendations for the 2019 UPWP, which establishes work program and budget priorities for the MPO in calendar year 2019. Staff will highlight and seek feedback on draft major planning initiatives. Final action on the draft resolution is expected in November.

- 5. FIRST READ - Issue Summary and DRAFT Resolution Granting the
ARC Transportation Access and Mobility Group Manager Authority to Affirm
GHMPO and CBMPO TIP Amendments** *John Orr*

ARC must affirm that TIP/RTP amendments requiring a new air quality conformity analysis conducted in other MPOs (Gainesville and Cartersville) within the nonattainment area do not impact the ARC TIP/RTP recommendations. This resolution permits the ARC Transportation Access and Mobility Group Manager to make this affirmation on behalf of the MPO, when required during other MPOs TIP Amendments.

¹ A 10-minute period for public comments is designated at the beginning of each regular TAQC meeting. Each commenter must sign up before 10:30 AM on the meeting date. Each speaker will be limited to two minutes. If the comment period expires before all citizens have an opportunity to address the Committee, citizens will be invited to provide their comments in writing.

6. Project Kickoff: TSM&O and ITS Architecture Plan Update

Maria Roell, Kofi Wakhisi

A regional transportation systems management and operations (TSM&O) plan, including an update to the region's Intelligent Transportation System (ITS) Architecture, has started. ARC will work on the plan in close coordination with GDOT. This important plan will identify priority strategies and projects to address evolving transportation technology needs. ARC staff will brief stakeholders on the process and expected outcomes for the study, including the needed participation of local government stakeholders.

7. Discussion on Next Steps for the Evolution of the LCI Program

Sam Shenbaga, Jared Lombard

Established in 2000, the Livable Centers Initiative Program (LCI) is nearing the 20th year of existence. Discussions are underway to assess the benefits of this successful transportation program and identify opportunities to continue these successes in the future. ARC staff will update the Committee on discussions to date, while seeking feedback on priority LCI program directions moving forward.
