TAQC Update

Sharpening our Focus

\$300,000 (no match) SHRP 2 Grant
Awarded by USDOT to ARC to
Support Planning Activities in 2015-
2016:

- Transportation Visioning for Communities
- Performance Measures for Highway Capacity Decision-Making
- Integrating Freight Considerations into the Highway Capacity Planning Process

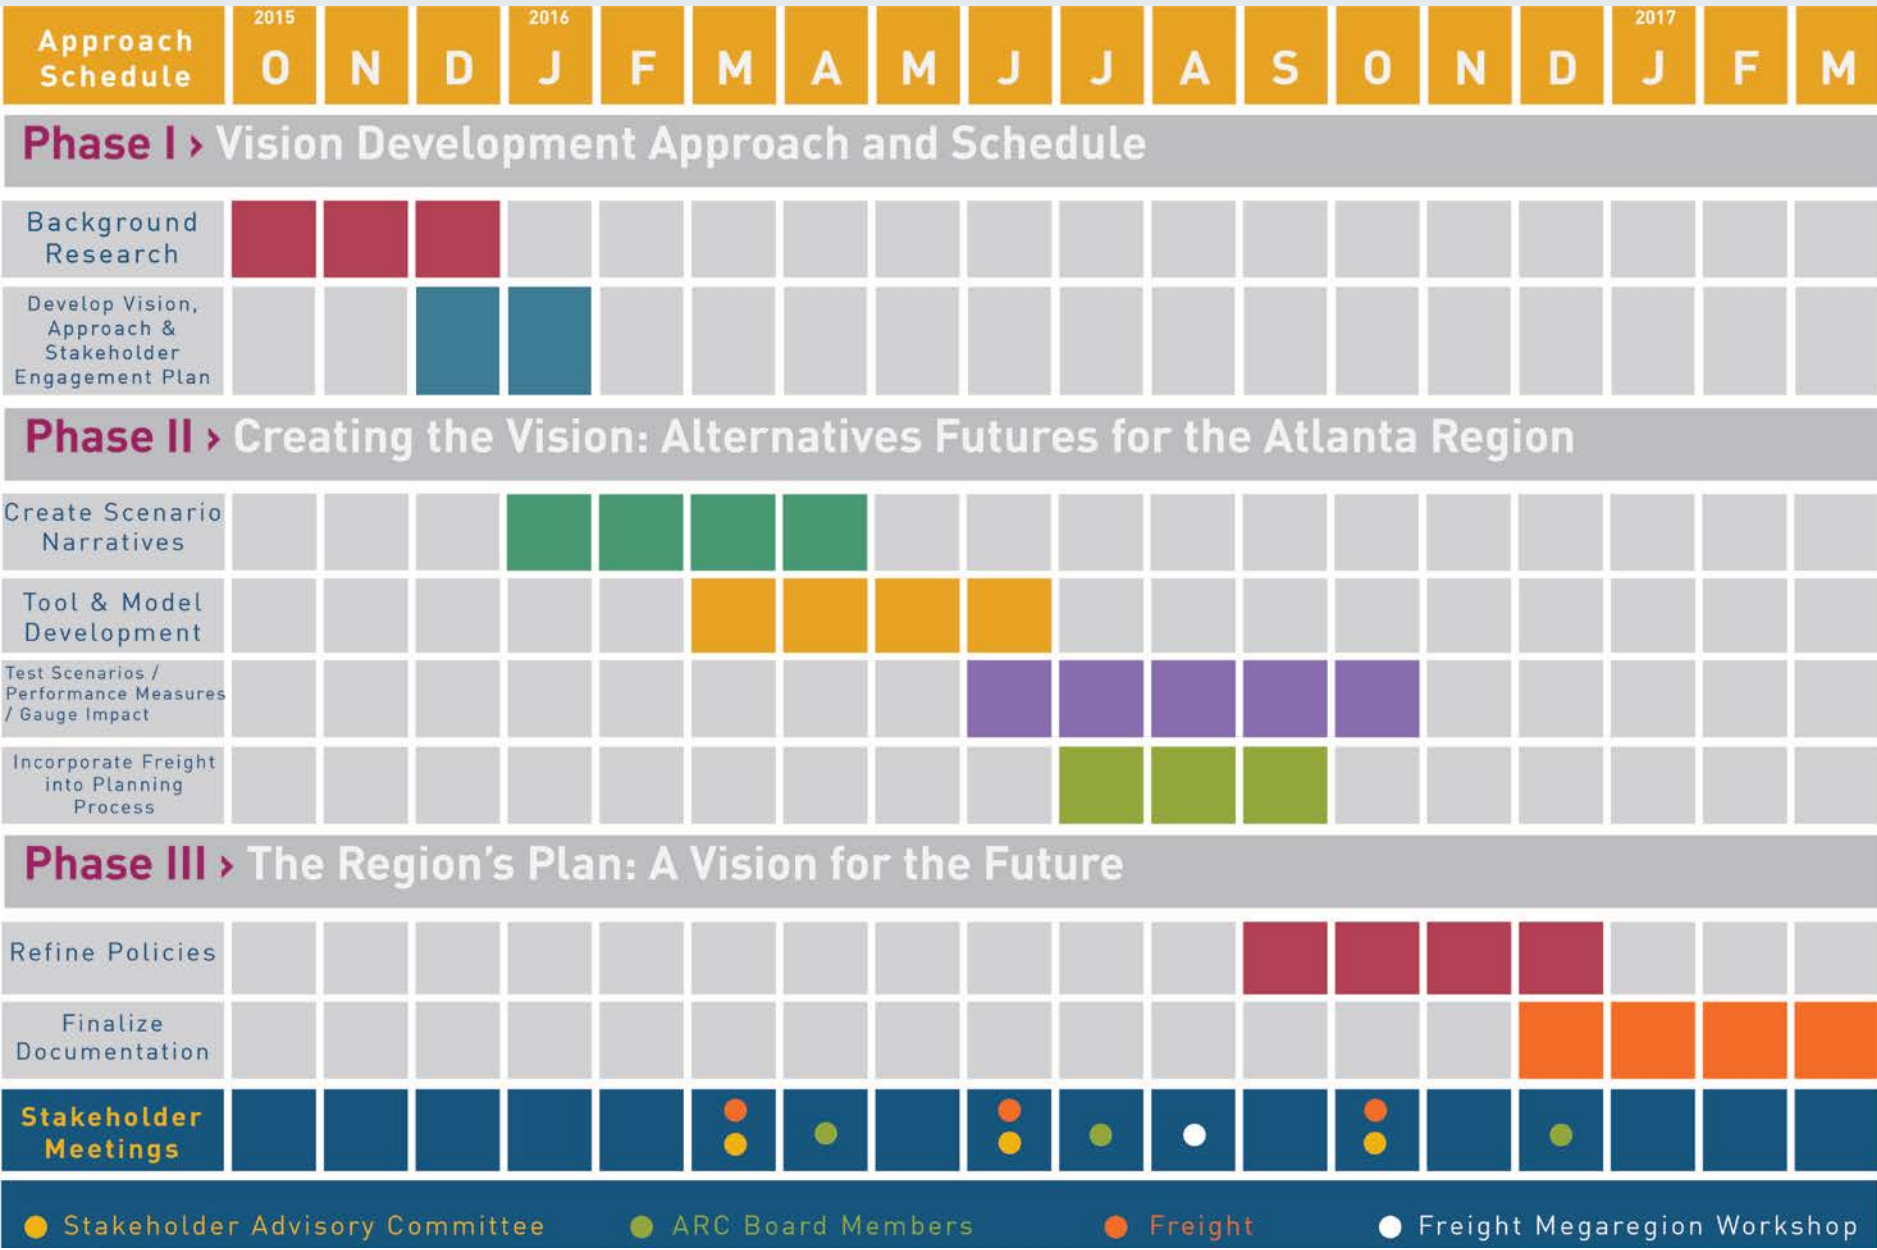

FHWA PlanWorks Vision Guide

Why are we doing this?

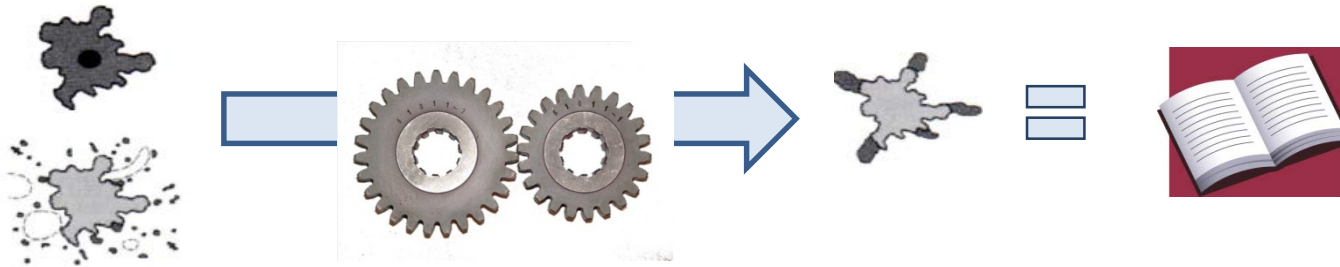

How are we doing this?

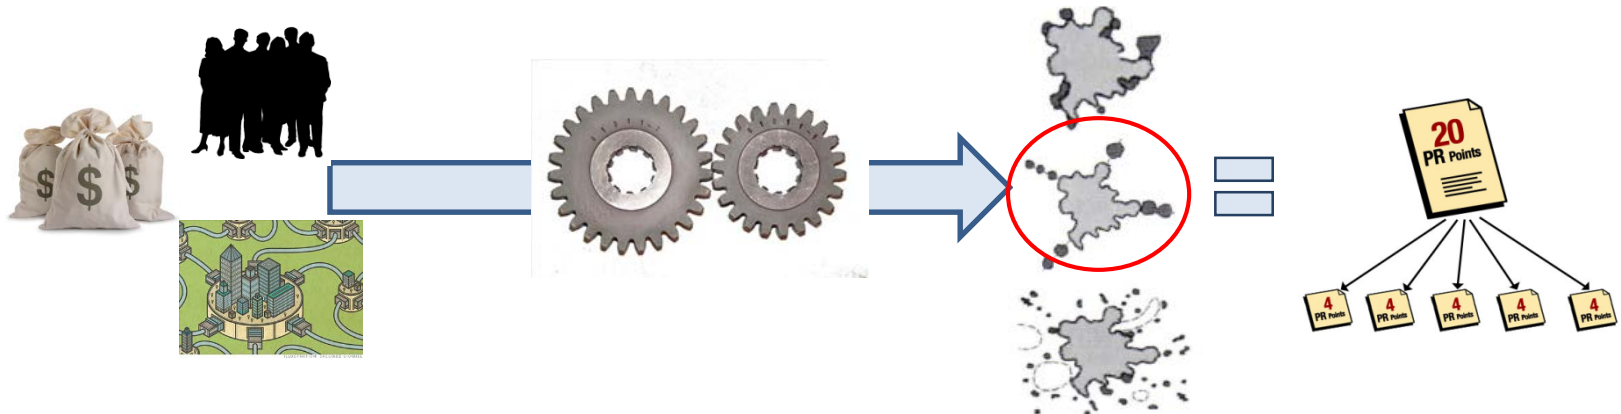

What's different about this effort?

End State vs Exploratory Planning

End state planning: Testing the effects of Transp/Land Use Alternatives vs. Trends on Selected Outcomes...in order to choose an optimal future Transp/Land Use plan

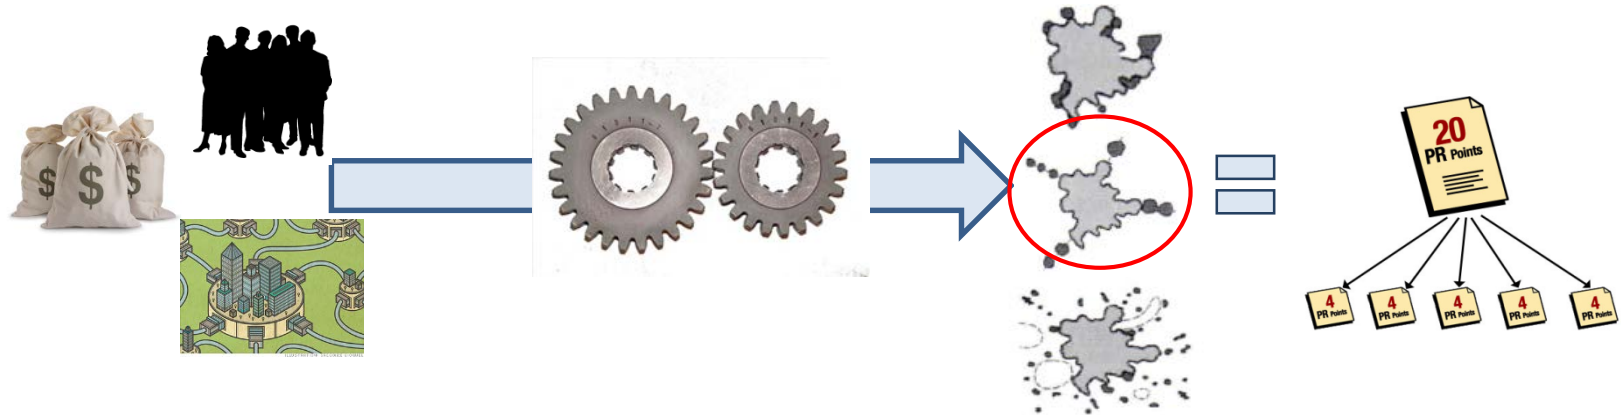

Exploratory planning: Testing the effects of Multiple Trends on Many Outcomes including Transp/Land Usein order to adopt the most resilient strategies
