ISSUE SUMMARY: 2018 UNIFIED PLANNING WORK PROGRAM

FROM: Charlotte Nash, TAQC Chairman

IMPORTANCE:

Federal regulations require ARC, as a Metropolitan Planning Organization, to develop a Unified Planning Work Program (UPWP) that discusses the planning priorities facing the metropolitan planning area and describes all metropolitan transportation and transportation-related air quality planning activities anticipated within the area regardless of funding sources or agencies conducting activities. The UPWP must be developed cooperatively with the State, public transit operators and other planning partners.

The 2018 UPWP is structured as follows:

- Detailed description of the Atlanta metropolitan transportation planning process.
- Appendices 1 and 2 - Excerpts from the ARC annual work program, “Strategy 2018,” that describe ARC’s transportation-related work activities for 2018. (“Strategy 2018” is also targeted for ARC adoption on December 6, 2017.)
- Appendix 3 - Planning funds distribution
- Appendix 4 - Adopting resolution and federal approvals
- Appendix 5 – Programmed planning activities and studies for ARC and partner agencies and counties

The draft 2018 UPWP was provided to planning partners and others for review October 9 to November 1, 2017. The results of that review are shown on the attached pages.

ACTION REQUIRED: Adoption of the 2018 UPWP is recommended.

Draft for approval by TCC on 11/3; TAQC on 11/9, and ARC on 12/6/17.
