# TCC Membership Discussion

April 3, 2026

# Transportation Coordinating Committee (TCC)

- TCC was established under 23 CFR 450 to support ARC in the transportation planning process.
- TCC membership includes technical representatives from local, regional, state and transit agencies to facilitate interagency coordination.
- TCC membership is outlined in ARC's bylaws.

# TCC Membership

“The membership of TCC includes the ARC Transportation Department Managing Director, a City of Atlanta Planning Staff Representative, **Municipal Staff Representatives (6) from the region**, County Transportation Staff Representatives from the 19 MPO counties, GDOT, GRTA/SRTA/ATL, MARTA Planning Staff Representatives (3) and a Georgia EPD Planning Staff Representative.”

Total membership = 31 members

Quorum = 13 members (40% of members)

# Municipal Staff Representatives (6)

- Established in response to request by city representatives, circa 2015
- Initial selection process included ARC Board Mayors
  - Complex
  - Not easily replicated
- Currently have six vacancies
- ARC proposes to simplify and update selection process to fill vacancies

# Geographic Districts

## Six geographic areas

- 1 North Fulton, Cherokee, Forsyth, Dawson
- 2 South Fulton, Coweta, Fayette
- 3 Clayton, Henry, Spalding
- 4 Cobb, Douglas, Paulding, Carroll
- 5 DeKalb, Rockdale, Newton
- 6 Gwinnett, Barrow, Walton

# Proposed New Selection Process for Two-Year Terms

- ARC, in consultation with TCC members, identifies potential candidates from each district.
- Potential candidates are contacted and their interest in holding the position is assessed.
- Recommended candidates are presented to TCC for consideration.
- TCC votes to approve slate of candidates.
