

2027 Unified Planning Work Program (UPWP) TCC Coordination

Transportation Coordinating Committee

September 11, 2026

What is the UPWP?

- One of the core federally required planning documents for an MPO
- Developed annually
- Identifies metropolitan transportation planning activities performed with federal, state and local funds in the MPO area
- Developed in cooperation with the State, local governments and public transportation operators

Examples of Studies in Current 2026 Atlanta Region UPWP*

- 📊 MTP Development
- 📊 Carbon Reduction Plan
- 📊 Emergency Healthcare Transportation Access Study
- 📊 ITS4US Complete Trip Deployment Phase 3
- 📊 Regional Trails Plans

** Selected special studies which are in addition to regular MPO planning functions such as MTP/TIP development, CTPs, LCI plans, etc.*
