# GoToWebinar Interface

We want to hear from you:

- Raise your hand when we take questions and we can unmute your microphone
- Type questions at any time for the presenters
- Look for the blue GoToWebinar icon if you minimize the app

The screenshot displays the GoToWebinar Control Panel interface. At the top, it says "GoToWebinar Control Panel". Below that, there are several sections:

- Audio:** This section includes a microphone icon with a slash through it, indicating it is muted. It shows "Computer audio" selected with a blue dot, and "Phone call" and "No audio" as unselected options. Below this, it says "MUTED" in red. There is a dropdown menu for "Built-in Microphone" and a volume slider. Below the slider is another dropdown menu for "Built-in Output".
- Talking:** This section shows "Talking: ARC CPLAN".
- Questions:** This section includes a chat box with the text "This is the chat box". Below that is a question input field with the placeholder text "Q: Or you can ask a question". At the bottom of this section is a text input field with the placeholder text "Type question here." and a "Send" button.
- Footer:** This section includes the text "Webinar Now", "Webinar ID# 662-084-059", and a red dot indicating "This session is being recorded." Below this is the GoToWebinar logo and the text "GoToWebinar".
