**NOTICE OF CANCELLATION**

**Request For Quotes**  
General Engineering and Planning Services

**Date Advertised:** December 12, 2024

Atlanta Regional Commission (ARC) hereby cancels RFQ for General Engineering and Planning Services in its entirety. The reconciliation bill rescinded all unobligated funds in the Neighborhood Access and Equity grant program, zeroing out the Flint River Gateway Trails grant. Because of that action, the ARC is cancelling the RFQ for General Engineering and Planning services issued on December 12, 2024.

We thank you for the time and thought you put into your proposals. We appreciate your interest in conducting business with ARC and hope that your company will continue to pursue procurement opportunities as offered on our website at <https://atlantaregional.org/about-arc/procurements/>.

Best Regards,

*Reginald Bryant*
