Video Storyboards

“Traffic Dad” (30-second spot)

ANNCR: What do you love about traffic?

DAD: Actually, I like standstill traffic. Yeah, it gives me a chance to stare at this family photo. I'm in traffic quite a lot so I don't get to see them very much. Anyway, this is Mary. She's in college now.

VOICE: I thought you said her name was Melissa.

DAD: What did I say?

ANNCR: Some people love traffic. Others try transit. Find your route at ATLtransit.org.

“Cusser” (30-second spot)

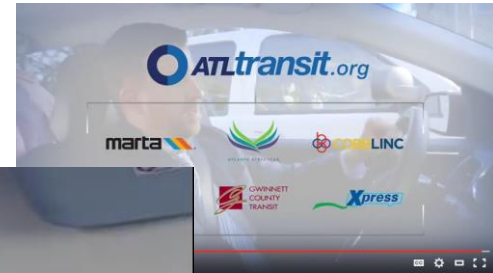

ANNCR: What do you love about traffic?

LADY: Driving in traffic has taught me to cuss much better. Words like <beep> and <beep> and <beep>. They just roll off my tongue now. Listen! Hey you <beeeeeeeep>. I just made that up.

VOICE: Whoa.

ANNCR: Some people love traffic. Others try transit. Find your route at ATLtransit.org.

“Exerciser” (15-second spot)

ANNCR: What do you love about traffic?

MAN: I exercise. I squeeze my butt cheeks together. I'm at 40,000 reps. Feel how rock solid my butt is. Go ahead, feel it.

VOICE: That's okay.

ANNCR: Find your route at ATLtransit.org.

“Thanks to traffic,
I’m always missing dinner.
So I’m losing weight!”

Try riding transit now and then and let someone else drive. Sure, you’ll miss out on the stress but that’s what work is for. See transit routes for MARTA, CCT, GCT and Xpress bus at ATLtransit.org.

“I pulled my hair out
in traffic and now I don’t
have to pay for haircuts!”

Instead of getting stressed driving in traffic, let one of our transit drivers do it every now and then. And stop hogging all that stress for yourself. See transit routes for MARTA, CCT, GCT and Xpress bus at ATLtransit.org.
