Connect ATL Venue RFP Questions and Answers

All questions pertaining to this Request for Proposals should be submitted electronically to Cheryl Mayerik at cmayerik@atlantaregional.org by 5:00 p.m. Friday, February 11, 2022. Answers to questions will be posted on ARC’s website no later than end-of-day Monday, February 14, 2022.

“Would you consider other dates in August?”

Yes, ARC will also consider August 9,10,11, 30 and 31.

“Will there be sessions in the Main Session room between the 10AM – 1PM Coffee Break, or would the hotel be able to use this time to flip the room for the Lunch?”

We anticipate having activity on the main stage in the Main Session Room, up until the time we break for lunch. We are willing to entertain the idea of setting up the room in rounds from the onset, serving lunch as either a buffet line or through boxed-lunch pick-up stations that could allow attendees to return to the same Main Session Room to enjoy their lunch. We could also break 30 minutes prior to lunch, directing attendees to the exhibits, which would allow hotel staff time for a light reset of the room.

“The RFP noted the proposal must be valid for a minimum of 90 days, but you’re looking to make a decision by this month is that correct?”

Yes. We plan to make a decision by the end of the month.
