## 8. Adjourn

This meeting agenda and all of the attachments can be found on the web at <http://www.atlantaregional.com/crc>. The Community Resources Committee (CRC) is a Board level committee of the Atlanta Regional Commission (ARC) focusing on issues related to communities and sustainability. A 10-minute period for public comments is designated at the beginning of each regular CRC meeting. Each commenter must sign a Request to Speak card before 11:45 a.m. on the meeting date. Each speaker will be limited to two minutes. If the comment period expires before all citizens have an opportunity to address the Committee, citizens will be invited to provide their comments in writing.
