

# ARC Freight Advisory Task Force

## Draft Meeting Agenda

**June 18, 2015**

**7:30 AM to 8:00 AM – Coffee, doughnuts and networking**

**8:00 AM to 9:30 AM – See proposed discussion topics below**

Location: Harry West Room, ARC's Offices  
(40 Courtland Street, NE, Atlanta, Georgia 30303)

**1. Regional Freight Mobility Plan Update:  
Discussion of Vision and Goals**

*The Parsons Brinckerhoff consultant team will lead a working discussion to shape a vision for freight in the ARC region, and the goals that should go with it. The outcomes should reflect our position in supply chain and logistics markets, and the place of supply chain and logistics activity in our communities. Goals will shape our performance objectives and the projects we want to advance. The team will offer initial alternatives to start the discussion, which will be driven by Task Force members. Consultants will also provide an update on the stakeholder engagement process and other plan activities.*

**2. Legislation and Funding Developments**

*Discussion will be held on major legislative developments during the 2015 Legislative Session, including passage of HB 170. HB 170, which increases transportation funding for Georgia, will have a major impact on planned freight and goods movement projects.*

**3. Other Items – Other member introduced topics**

**4. Adjourn**
