

# ARC Freight Advisory Task Force

## Draft Meeting Agenda

**Wednesday, October 14, 2015**

**7:30 AM to 8:00 AM – Coffee, doughnuts and networking**

**8:00 AM to 9:30 AM – See proposed discussion topics below**

Location: Harry West Room, ARC's Offices  
(40 Courtland Street, NE, Atlanta, Georgia 30303)

### **Regional Freight Mobility Plan Update:**

#### **1. Discussion of Freight Trends, Opportunities, and Needs**

*The Parsons Brinckerhoff consultant team will present draft findings about freight trends affecting Metro Atlanta, the opportunities they create, and actions needed to respond to them as well as to freight performance issues generally in the region. This discussion will expand on material initially presented at the FATF meeting in July.*

#### **2. Project Prioritization**

*To shape the plan of action, the team will outline a draft approach to project prioritization that incorporates freight objectives previously defined, then discuss and illustrate the application of this approach to the extensive list of freight projects identified for the region by multiple sources. The team will seek input from the FATF on the prioritization approach for proposed freight projects in the region.*

#### **3. Ongoing Plan Activities**

*The team will give an update on the stakeholder engagement process and other plan activities.*

**Region's Plan Update** – John Orr will provide an update on the Region's Plan and changes to the constrained RTP project list.

**Other Items** – Other member introduced topics
