

ARC FY 2020-2025 Transportation Improvement Program and Metropolitan Transportation Plan, Amendment #8 Public Review June 29, 2023 to July 28, 2023

The Transportation Improvement Program (TIP) is the mechanism by which federal, state and local funds are approved for all significant surface transportation projects and programs in the region. The FY 2020-2025 TIP comprises the first six years of the Metropolitan Transportation Plan (MTP) for the Atlanta region. As the federally recognized Metropolitan Planning Organization (MPO) for a 20-county region, ARC is responsible for developing and amending/updating the TIP and MTP to meet federal planning requirements and address local needs.

The purpose of amendment #8 is to:

- Incorporate new discretionary grant funding from Congress and US DOT into the TIP

An email was sent to ARC's interested parties distribution list indicating that the TIP/MTP Amendment was open for public review. Details regarding the amendment project list, process, and timeline were posted on ARC's website. Additionally, the request for review was advertised via newspapers and various ARC newsletters and presentations.

The public comment period opened on June 29, 2023 and closed on July 28, 2023, with a public hearing held before the Transportation Coordinating Committee (TCC) meeting at ARC on July 14.

No written comments were submitted via email during the public comment period. No verbal comments were submitted at the July 14 public hearing. This document, along with specific comments will be shared with ARC Transportation Coordinating and Transportation & Air Quality Committee members, as well as all appropriate regional transportation project sponsors. Additionally, this document will be shared with respondents who submitted public comment, via a link to the Amendment webpage, where this report will be posted, available at www.atlantaregional.org/amendment.
