

ATLANTA REGIONAL COMMISSION

DATE: December 14, 2022

ISSUE SUMMARY: ARC Strategic Framework

FROM: Dr. Malika Reed Wilkins, Chief Strategy and External Affairs Officer

IMPORTANCE:

ARC's last strategic framework was adopted by the Board in 2016 and expired in 2021. Additionally, ARC had several frameworks for different types of work and the agency had a disconnect on a single vision, mission, or unified goals. Because of this, the Executive Director initiated a process to develop a new Strategic Framework encompassing all ARC work. This comprehensive process began at the executive leadership level in April 2022 and was developed with senior management and staff input. The draft framework was reviewed with external stakeholders and presented to the ARC Board for discussion and engagement at the November 2022 Board Work Session. The new framework establishes a unified mission, vision, and goals for the agency, as well as the values which dictate how staff carry out that work.
