US DOT Approval and Official Publishing of TIP/MTP

Public Comment Period

- A public hearing was held on October 14 during the Joint Transportation and Air Quality Committee/ARC Board meeting.
  - **No verbal public comments were received during this hearing.**

- A public comment period was held from September 28 through October 27
  - One public comment was received on October 27th from GDOT requesting that project **AT-391 (Peachtree Street Safe Streets)** be moved from the TIP project list to the MTP project list to reflect updates in the project timeline. **Right-of-way was shifted from FY 2028 to FY 2031, while Construction and Utilities were shifted from 2029 to 2033.** This project is no longer reflected in TIP documentation, but are still shown in the long-range plan.
  - Full comment and official response are detailed in the Public Comment Report.
