

I-285/I-20 West Interchange Transportation & Air Quality Committee

Jannine Miller

Director of Planning, GDOT

**Executive Director, State Road Tollway Authority
(SRTA)**

**Executive Director, Georgia Transportation
Efficiency Authority (GTEA)**

October 14, 2026

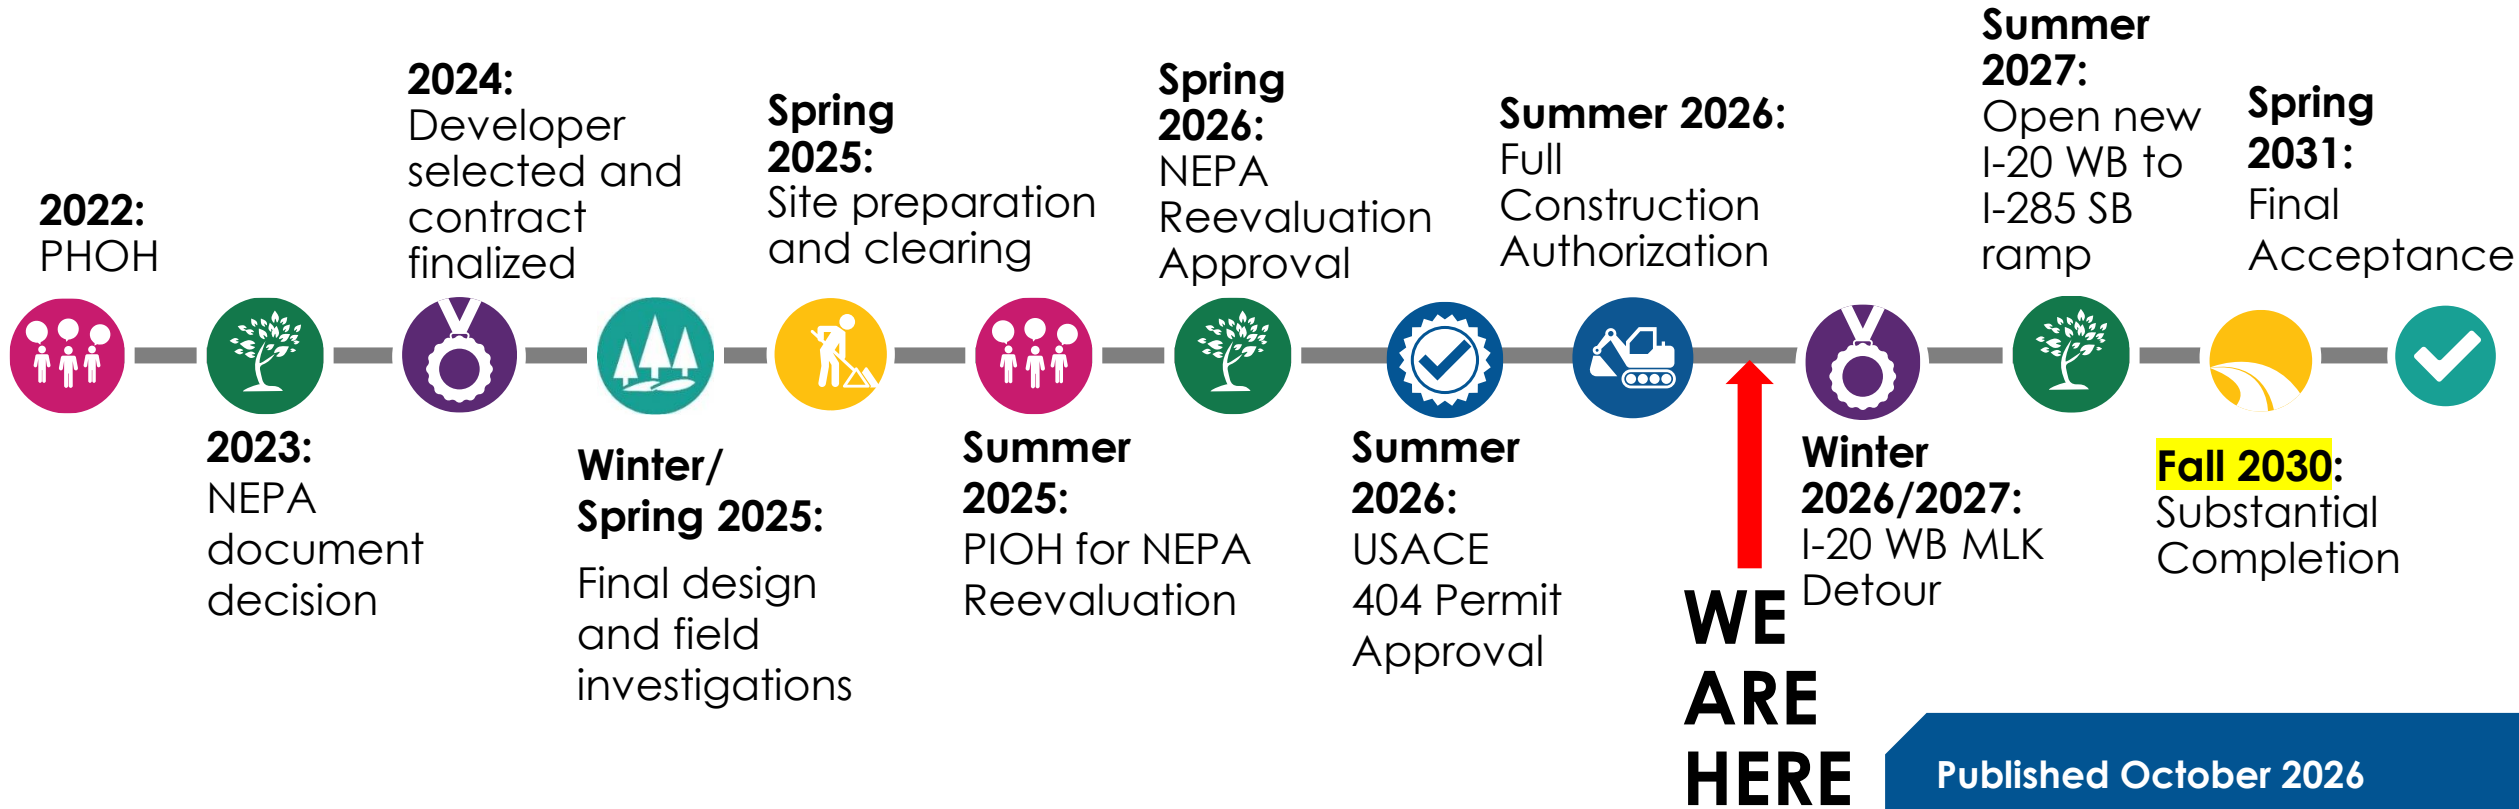

Project Overview - \$1.2 Billion Investment

- 6th on American Transportation Research Institute's (ATRI) list of the nation's top 100 truck bottlenecks
- PM Peak speeds drop to 24 mph, impacting 9,000+ hours of daily delay for 160,000+ vehicles
- Will expand capacity and improve traffic flow, safety, and operational efficiency throughout the corridor
- Will replace, widen, or construct 19 bridges across 9 miles of interstate
