### the project

Paint Memphis is a one-day festival on July 18 that will bring over 60 artists together to paint the flood wall adjacent to the proposed Chelsea Greenline. The wall starts at the Chelsea trailhead, at N. Evergreen and Chelsea and goes west for .3 miles, making it the biggest collaborative mural in Memphis. Though a one-day event, we plan to expand this wall into a permission wall, legal and sanctioned by the city, a place where artists can show of their talents and reflect the spirit of our city.
