HOW TO USE COMPARISON DASHBOARD

This dashboard is designed to allow the user to select and compare Georgia State Senate Legislative Districts along an array of indicators.

After choosing a **category** and **indicator**, you can limit your selection by **indicator value range** (using the slider bar) and/or by **location** (using the selection tool on the map). Hover over a district on the **map**, **bar chart**, or **comparison table** to highlight and see the specified value for that district.

Step 1 | Choose a Category:

Income

Step 2 | Choose an Indicator:

Median household income (\$), 2015 ACS

Step 3 | Limit Districts by Value Range:

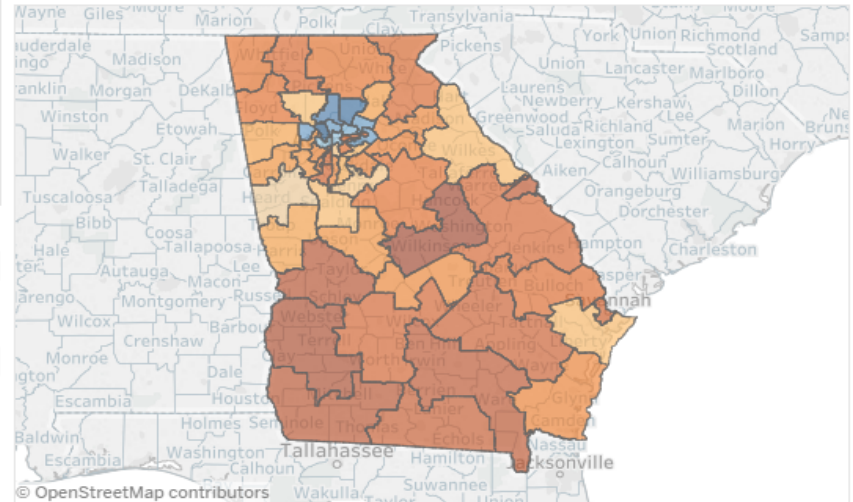

Note: Click funnel icon to the right to recalibrate slider after selecting a new indicator.

28,385  93,594

Step 4 | Select by Location:

Note: Hold **Ctrl** on keyboard to select non-adjacent districts

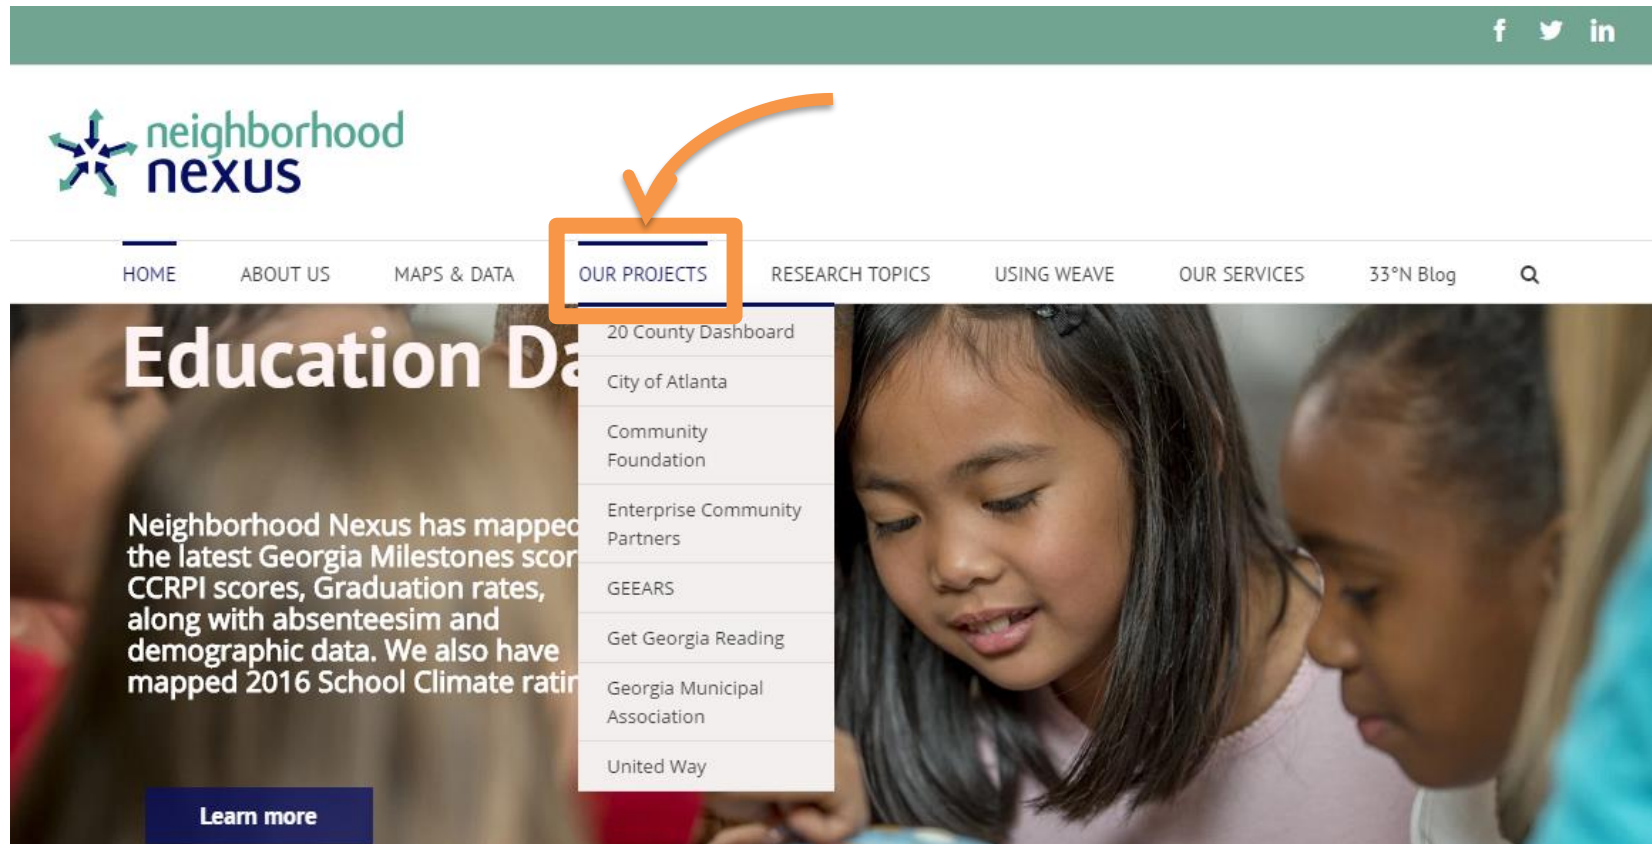

Selected District Comparison: Median household income (\$), 2015 ACS

The Westside Future Fund Community Data Dashboard is dedicated to identifying and understanding the needs and opportunities that exist in four Atlanta communities: English Avenue, Vine City, Ashview Heights and the Atlanta University Center. These neighborhoods are at the core of the Westside Future Fund's work to disrupt the cycle of poverty and revitalize Historic Westside Atlanta. This site offers a baseline of community conditions and trends over the past 15 years against which the Westside Future Fund will track future progress. .
