LCI Call for Projects

LIMITED LCI Transportation Call for Projects – Open July 2021 (date TBD)

- ✓ Project limits must be located at least 50% within LCI area
- ✓ One application submittal per LCI Area
- ✓ PE (preliminary engineering) ONLY
- ✓ Must be exempt from air quality conformity analysis – so road expansion, transit expansion, or road diets longer than 1 mile, are not eligible

Additional Info:

- Approx. \$10 Million available in FY22 Funds only
- Must be LAP-certified or in the process to be completed by early 2022
- TIP Amendment process applies (Board approvals, public comment, etc) – funds to be added to the TIP Spring 2022
- LCI sponsors to be notified directly, as well as announcements to TCC and LUCC
- Info will be posted on LCI website: <https://atlantaregional.org/community-development/livable-centers-initiative>
