### 3. Culture Centers International

Dr. R. Candy Tate will provide an overview of the work being done by [Culture Centers International](#), a historic preservation nonprofit with a mission "to collect the history of African Diaspora businesses, to educate the community through the arts, and to sustain African Diaspora legacies through cultural tourism and historic preservation."

### 4. Praise House Project

Charmaine Minniefield will present the [Praise House Project](#), a multimedia site-specific installation to honor the African American history in communities. Firmly rooted in womanist social theory and ancestral veneration, the work of Charmaine Minniefield draws from indigenous traditions as seen throughout Africa and the Diaspora, to explore African and African-American history, memory and ritual as an intentional push back against erasure.
