MARC Final Project

- 2 Community Development Assistance Programs
  - Live, Love, Lithonia – Historic Preservation
  - Kennesaw City Cemetery– Public Greenspace
- Teams take on the role of regional planners/consultants digging into real life regional happenings
- Experiential Learning
  - Apply MARC 2019-2020 lessons
• Make Recommendations for:
  • Community Engagement/Public Participation
    • How can you ensure community members are involved?
  • Communications
    • How will you communicate what is happening with the community?
  • Land Use & Transit/Mobility
    • How can you utilize new or existing mobility options and land use?
  • Creative Placemaking
    • How can the city highlight the community’s unique and diverse qualities?
