OUR MISSION:

TEAG was created to connect equity advocates with transportation planners and agencies from around the region so that they (equity advocates, transportation planners and agencies) will all be able to better understand and influence transportation planning process and outcomes while being a voice for the needs of vulnerable populations.

OUR VISION:

- A transportation system that is efficient, accessible, and equitable.
- Equity strategies improve outcomes for the most disadvantaged people in our region.
- The region’s disadvantaged populations are an asset who bring their talents and skills to the region.

OUR GOALS:

To create a more balanced ecosystem with representation from groups throughout the region to providing space for advocates, community leaders, and ARC staff to come together and learn from each other.

FOCUS AREAS:
- access
- economic burden
- neighborhood impact
